

St Peter's Church, Phibsborough

Parish Newsletter

Eleventh Sunday in Ordinary Time
12 June 2016

Dear Parishioners,

Welcome to our new parish newsletter. For some time the pastoral council has intended to upgrade the newsletter and we are delighted to launch an improved version today in collaboration with Liturgical Publications Ireland (LPI).

Apart from the obvious improvements with regard to appearance and versatility, a move such as this is to be seen as part of the outreach into the local community which a parish like St Peter's is obliged to make in fidelity to our vocation to evangelise the society in which our parish community lives and moves.

As with everything we do, the newsletter is a work in progress. The idea is to have it complement the parish website which has also been redesigned and relaunched lately. The features of St Peter's church such as the mosaics, carvings and stonework will adorn both newsletter and website, making both recognisable and the life of the parish more and more accessible.

Please pray that these aspects of our ministry here in Phibsborough will be blessed and if there is anything you would like to contribute by way of information or an article or a picture, please do so.

Thank you for all you already do and every blessing.

Church Gate Collections

This week's is in aid of the Society of St Vincent de Paul. Next week's will be in aid of **Ambo Deaf School, Ethiopia (a Vincentian project supported by Vincentian Lay Missionaries)**.

In October 2010 a group of Irish Deaf people, two interpreters from Deaf families and Fr Stephen Monaghan CM (St Peter's and Chaplain to VLM) visited Ambo, a mid-sized town just over 2 hours from Addis Ababa. There they met with the local deaf community who showed them the school they had established with the support of the Vincentian Fathers working in the community.

Without a local Deaf Centre, the challenges facing the deaf community in Ambo are enormous. The centre will allow better access to education, training and employment. It also offers access to health services which can be a life-saving development for many Deaf people in Ambo.

With the continued support of the Irish Deaf community, St Paul's College Raheny, Castleknock College, Míseán Cara and VLM, the Deaf Centre has developed and is now a well established project in Ambo. As of December 2012, the school officially opened and work is now commencing on the development of a vocational training centre and Deaf resource centre. For more information check out the Ethiopian Deaf Project's Facebook page or go to: www.vlm.ie.
