St Peter's Remedial Works - Update

As you are aware work has been delayed due to the presence of asbestos which requires specialist attention for removal. During the period of asbestos removal it is hoped that some contract works can proceed. This will include external trenching for heating pipes and insertion of same. Please continue to keep the project in your prayers.

Temporary Mass Centre - safeguarding and health and safety

Members of the Parish Safeguarding Group, on behalf of the Parish Pastoral Council, have conducted a risk assessment of the Mass Centre with regard to safeguarding and general health and safety. Please note the following guidelines:

- Children and adults who are vulnerable should be accompanied to toilet areas by a parent and nominated carer respectively. Both facilities in the Mass Centre have foyer facilities for this purpose.
- Children should always be seated with parents in the same section of the Mass Centre.
- There are three entrance/exit doors in the Centre, these should always be kept clear before, during and at the end of services.
- Please take care not to block the corridor which links the St Peter and St Catherine sections of the Mass Centre, pass along the corridor, don't delay for conversation!
- Shrine and other candles may be lit only in the designated areas: no candles may be placed in either the St Catherine or St Vincent sections of the Mass Centre.
- Umbrellas, rollators, prams, walking sticks should be placed close to walls in such a way as not to hinder safe passage on aisles and corridors.
